Walkathon Winners

Last Wednesday we had our walkathon assembly and presentation. ***Thank you to all those people who raised money and contributed to our school walkathon.*** All money raised from the walkathon goes towards our school sports fund. The school sports fund purchases up to date sporting equipment for our school and helps subsidise sporting travel. The class who raised the most money was 3P, congratulations 3P on your fabulous effort of raising \$534. The students who raised the most money in our school were:

Sappirah Knight from 3P with \$212.60

Emily Wallace from 3P with \$210

Konna Newton from 4S with \$165

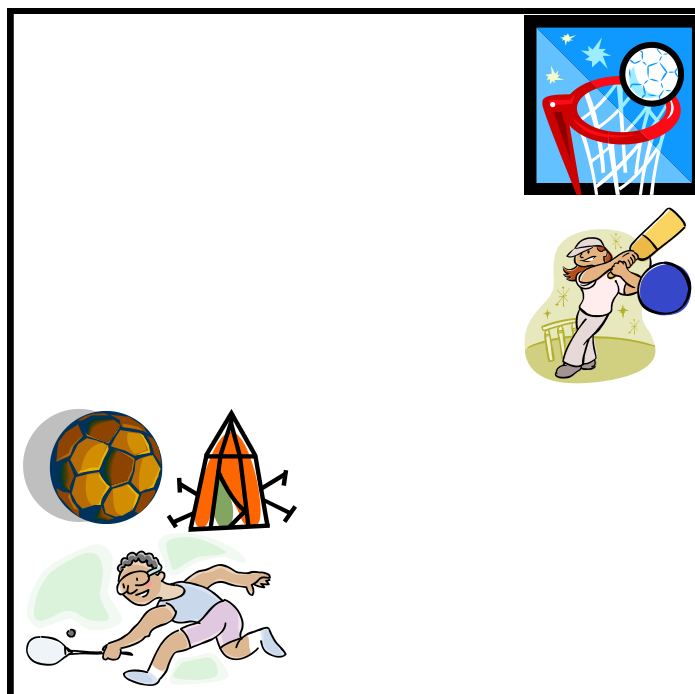

Congratulations to these three students on their remarkable fundraising efforts. These 3 students received a \$40 gift voucher from Toyworld for their efforts. We have to make mention of three students in our school who went to an extra effort to contribute to raise money for the walkathon. Firstly Chloey Ensor from 3V who wrote a very adult letter to a business in town asking for sponsorship. Well Done Chloey Secondly to Jack and Ned Isedale. Jack and Ned did not participate in the actual walking of the walkathon because they were in Sydney whilst Jack competed at State Athletics. However they eagerly collected donations and raised \$51 dollars each for our walkathon. That just shows what great school spirit you have. Thankyou to Donna from Toyworld for donating one of the gift vouchers. The total amount raised so far is \$3440. Don't forget if you still have monies owing to the school for the walkathon, it needs to be dropped to the school office as soon as possible. Every person who raised money for the walkathon received a prize to thank them for their efforts.

CAP Clubs Day

Friday 19th November will be our last CAP clubs day for 2010. Children are able to attend school out of uniform. Years 3-6 children will participate in a variety of activities at school and within our community. If your child is leaving the school grounds they will need to have returned a permission note to Mrs Pincham. If your child is attending Pilliga Polttery and is in the Year 4,5,6 group they will need a packed lunch. Those in Years 3,4 group will need a packed recess. Children in K-2 will enjoy their activities from 1.40-3pm. Another activity will be at the pool and students will walk to the pool.

Selective High School applications for 2012

Applications are now open for students currently in Year 5 who wish to apply for placement in a Government Selective High School in 2012. This includes a virtual selective class (Students in this would attend their local public high school while in the class) as well as schools such as Farrer Memorial Agricultural High School. If you have any interest in having your child apply for a position in one of these classes/school please contact Mr Willoughby this week.

Reading to Learn Parent Session

On Tuesday 23rd November there will be a short workshop to introduce parents to the Reading to Learn program that is running in our school. It will last 1-1.5 hours from 9.15 and be held in the staffroom. You don't need to bring anything and you will be rewarded for your effort with morning tea. Come and join in to experience how your children are learning. Please indicate below your interest—(for catering and preparation of materials).
