3-6W: Weekly Wrap Up!

And what a week it's been.....Term 4 sure is proving to be an exciting and challenging term for all 3-6W students! The class has worked extremely hard all week to complete assessments in time for the end of year reports. Year 3 and 4 have been rewarded with a trip to Taronga Western Plains Zoo where they hope to spot the recently born baby Meerkats. Year 4 spent the night on Thursday and we look forward to hearing about their WILD experience!

On Tuesday 3-6W Year 5 students buddied up with 2012 kindergarten students. They were very impressed with how well they played together and their getting along skills. Years 5 described them as cute and well mannered, and welcome the responsibility that comes with being a buddy.

3-6W Year 6 students have been enjoying high school visits in preparation for Year 7 and have described these visits as fun and exciting. Byron was especially excited about the sports on offer and Brittany can't wait for her daily English muffin and hot chocolate fix from the canteen. On a serious note, Year 6 are looking forward to the range of subjects on offer and the opportunity to engage in new learning experiences.

In addition to this 3-6W students have been engaging in weekly science lessons based around the topic 'Sailing, Sinking and Soaring'. They have enjoyed learning about items that sink and float, and this week combined their creative skills with their knowledge of buoyancy to create a boat from recycled materials. Whilst the boats look terrific the real test will be next week when we test their ability to float.

School Swimming Scheme

Once again we are conducting our Swimming Scheme this term.

All students in Year 2 and those who cannot swim 20 metres confidently in Years 3-6 are eligible to take part.

The scheme will run from Friday 18 November until Monday 5 December.

Year 2 children will attend between recess and lunch.

Years 3-6 will attend after lunch.

The cost for each student is \$1 each day for pool entry.

Season ticket holders will need to provide their number.

If any parents are able to help could you let Mrs Silk or Mrs Hunter know.

Sports Merit and Contribution to Sport Award Nominations.

On Awards Night at the end of each year the sporting excellence of children who are in their last year of Primary School is recognised by the presentation of the above awards. These awards recognise the dedication, commitment, achievement and sportsmanship over the Primary career of the children who have been nominated. A panel, which includes teachers, aides and executive staff will determine those who will be successful in receiving an award.

To be eligible each Year 6 child, seeking consideration, needs to submit a nomination form, available from Mr Keppie or their class teacher, on or before the closing date of Thursday 10 November. Forms should also be returned to the class teacher or Mr Keppie.

When filled in correctly nomination forms could include for each Primary year:

- The variety of sports in which the nominee has excelled.

- The level of achievement in each sport, including attendance at Zone, Area and State carnivals.

- Placings in finals, at any level.

- Being a Champion at a school or Zone Swimming or Athletics carnival.

- The setting of new school records in swimming and athletics.

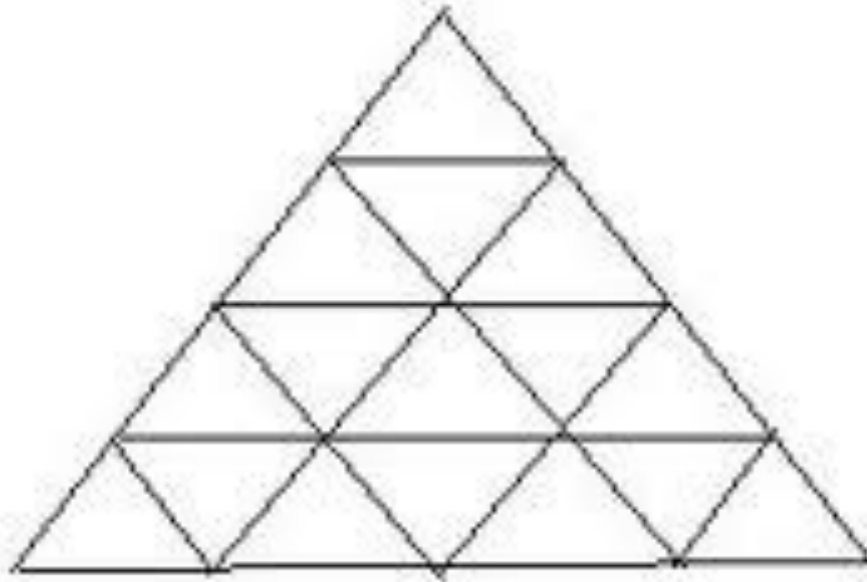

The most prestigious award is the Sports Merit Award which is usually awarded to only one boy and one girl who have satisfied the eligibility criteria, in the eyes of the panel.

Contribution to Sport tries to recognise worthy efforts and can be awarded to more than one girl or one boy who have satisfied the criteria. Contribution to Sport can not be awarded at all if there are no suitable nominees.

Prefect Election Process Begins

The following students from Year 5 were nominated by their peers to be candidates in the 2012 prefect elections.

Jada Kuras, Grace Colantonio, Jessie Dumble, Riarna Milgate, Claire Cole, Ashleigh Smith, Mackensie Newton, Abbey Edmondstone, Ellen Nilsson, Olivia Tilborghs, Shawna Berry, Jack Isedale, Jarrod Lambert, Andrew Hain, Cameron Collier, Michael Armstrong, Blake Nguyen, Charlie knight, Connor Broeksema and Tristan Thomas.

As part of the election process these students will now prepare a speech to deliver to all the students in Years 3-6. Speeches will take place on 14, 15 and 16 November and elections will follow on Thursday 17 November. Of the 20 candidates 8 will be elected—4 boys and 4 girls.

Congratulations to all candidates on being nominated and good luck in the elections.

Teddy Bears Picnic

On Thursday 3 November, Kindergarten had a Teddy Bears Picnic.

All Kindergarten brought a Teddy or a friend of a Teddy to school.

In the morning we did a lot of school work and then we had recess.

While we were eating recess our Teddies ran away into the woods! We were all very excited to go on a 'Bear Hunt'. Our Teddy Bears were hiding in the woods behind trees and in the bushes. After we found every single Teddy and Teddies friend we had a look at all the Teddies. We found the 'biggest' and the 'smallest' Teddy as well as the 'best dressed', 'brightest' and 'most loved'. After the Teddies were judged the Teddies friend's had a competition. They were judged as the 'biggest', 'smallest' and the 'most unusual'.

Next we had a Teddy race and all the Kindergarten children had a run with their Teddy. After that we had a picnic lunch under the shade of a big tree in the playground. There were some yummy lunches with fruit and water and the teachers gave out some special cupcakes.

Kindergarten had a wonderful day and were ready for a rest after lunch.

Willoughby's Weekly Words

SCHOOL TIMES

I would like to stress the correct times for the commencement and conclusion of school. Lessons start at 9am and finish at 3pm.

No child should arrive at school before 8.30am or stay after lessons conclude.

The only exception to this is for bus children who will be supervised in the courtyard until the buses arrive. Outside of these times there is no supervision by staff.

ASTHMATIC STUDENTS

All students who suffer from Asthma, should have received a letter this week. If your child is an Asthmatic and you didn't receive a letter please contact the Front Office.
