GUNNEDAH EISTEDDFOD SUCCESS

On Wednesday Mrs Evans and Mrs Clifton escorted 2 groups of students to the Gunnedah Eisteddfod. Every section had large numbers of entries and a very high standard of poetry recitation and prepared speech. Every contestant stood proudly and a bit nervously on the stage at The Civic Center. We clapped and supported each other. We learned much about standing in front of a unknown audience and projecting our voices to the back row of the theatre. Schools came from Gunnedah, Mullaley, Curlew, and of course the furthest competitors travelled over 100km from Coonabarabran. Competing in the the eisteddfod is a wonderful way to appreciate literature and is great for self-confidence and presentation skills. We competed in the Australian, impromptu reading, prepared speech & impromptu speech and Poem for Two sections.

Camilla was awarded 3rd place for her humorous poem about ringing the wrong person. Hannah bravely competed in the impromptu reading by herself in the afternoon gaining a much sort after Highly Commended. Mrs Evans braved the kangaroos and darkness and brought us home victorious, in both the prepared and impromptu speech which went late into the night. Congratulations and well done to all our competitors you did us very proud.

Camilla Ranken equal 3rd in humorous poem and 1st in prepared speech Year 5, Shae Edmonstone Highly Commended in prepared speech, Josie Strong 2nd in prepared 2nd in impromptu, Elsie Kearney 2nd in impromptu, 3rd in prepared, Ella Atkinson 2nd in prepared 3rd in impromptu, Kayla Campbell Highly Commended in both prepared & impromptu, Rebekah Dicks Highly Commended in both prepared & impromptu, Hannah Evans Highly Commended in impromptu reading, prepared speech & impromptu speech.

SRC COMPETITION WINNERS

The competition winners for the SRC Refuse, Not Re- Used poster competition for last week were hard to pick for Primary as there were many entrants for year 5/6 so we ended up having a tie. There weren't many entrants from Infants so the SRC found it very easy to select winners. The winning students were awarded their prize at the Infants and Primary assemblies last week.

The winners were:

Kindergarten	no entries
Year 1	Lily Weatherall
Year 2	No entries
Year 3	Clayton Cole
Year 4	No entries
Year 5	Kayla Campbell and Katie Richards
Year 6	Holly Regan

Congratulations to all our winners and thank you to those students who entered this competition. The students' posters will be displayed around the school as part of the Re-fuse, Not Re-used campaign that the SRC are currently encouraging in our school. Their aim is to at least have one day a week where students don't bring un reusable plastic to school (Wednesday). So please remember to support the SRC and the environment as much as you can on this day. Thank you again for those that entered the competition.

DUNNART DRAWING COMPETITION

The SRC worked hard during week 2 to build a Dunnart Garden for our school. Peter Dawe from the Royal Botanical Gardens in Sydney came to work with the SRC to help them to plant plants that would encourage the Dunnart into our school area in order to try and help prevent this little animal from becoming more endangered. After their hard work of establishing the garden, the SRC entered a drawing competition for the Dunnart Garden which was judged by Peter Dawe himself. There was only to be one winner originally but he found it very difficult to determine which of Kayla Campbells drawings was the best so he decided to use both of the drawings. Kayla Campbell needs to be congratulated on both her drawings which one will be displayed on the poster next to our garden and the other for a brochure promoting our garden also. Well done Kayla

You Beauty Performances

On Monday afternoon about 80 students were treated to a wonderful performance called You Beauty. As Charlie roller-skated around the School Hall and did handstands on a chair we roared with laughter and watched with awe. Her Grandmother spoke to her from afar about clever sporting legends.

Gareth led us in audience etiquette and when to clap appreciatively with the super tricks Charlie did on chairs and laughed the house down when she tried to fit into her Nan's synchronised swim suit.

We learnt about Annette Kellerman and the sporting achievements of many other heroes. Charlie showed herself to be a hoola hoop legend. She could swing that hoop from every bit of her body and left us all wanting to rush out and have a go.

We sat in silence, mesmerised by her antics and acrobatic skills. When Izzy and Bailey were Pharlap's head and tail, and Jayce was the hoop holder, we couldn't contain our delight and excitement. Kayla wowed us with her knowledge by knowing that Dawn Frazer was one of Australia's swimming legends.

Darcy and Jacob awarded silver and gold Olympic hoop medals for Shelley to catch and helped her steal the Olympic flag from the Tokyo Games.

Mr McMillian was chosen to be Cathy Freeman and light the Olympic flame at the Sydney 2000 games passed through the relay of Zaara, Kayla, Brodie. This was hilarious fun as the water waves supplied by Lily and Elara.

Students also enjoyed Circus in a Suitcase workshops on Wednesday and the Musica Viva - Makukuhan, on Thursday.

Thank you to everyone who participated in the performances and workshops. You should be commended on your behaviour and enthusiasm.

Kindergarten

In Kindergarten this term we've been learning about local places and spaces identifying if they are manmade or natural, what they can and have been used for, how to look after them and their cultural significance. We've even learnt some Aboriginal symbols to help us tell stories about the people and animals that use these places.

We really enjoyed using Google earth and Google maps to look at earth from space, then drill down to explore some of the major features in Australia and then our local community. We especially liked going on a virtual tour of Coonabarabran, and having a go at drawing and labelling our own maps.

We said good bye to some close friends and have made new ones, we are still enjoying our literacy and numeracy activities and are really looking forward to seeing Healthy Harold at the end of the term.
