SCIENCE DAY

On Wednesday 15th August, The Warrumbungle National Park Environmental Education Centre, hosted a Science Day for the Stage 3 students at Coona Public and invited St Lawrence's Public School, Mullaley Public School and Tooraweenah Public School to enjoy a day of wonderful scientific learning.

We participated in a range of workshops including seeds and germination, mini-beasts, drones and seed bombs, Life cycles of animals and many more.

Thank you to the WEEC for a wonderful day and also to our teachers for the wonderful experience and to the other schools where we have made new friends.
