

Coonabarabran Public School Newsletter - Term 3, Week 9, 2020

Quality, affordable education for all students

www.coonabarab-p.schools.nsw.edu.au Monday 14 September 2020

PBL Focus: We safely use playground equipment.

5/6K went on a field trip to the Warrumbungles as part of our novel study, 'Rowan of Rin'. First we were split into three groups, seven brave hearts in each.

We did lots of activities to represent bravery, friendship, courage, communication and kindness. After our activities we had a delicious sausage sizzle.

Then our whole class went on an adventure trail. We had to complete many challenges including walking blind folded through freezing cold water. Our goal was to find two crystals. We found poems along the way that held clues.

We found both of them with the help of a lot of team work.

Our last activity was to build the village of Rin using pieces of nature.

It was a fantastic day, we all loved it.

By Lakiah and Maggie.

5/6K on a 'Rowan of Rin' Adventure

Coming up at Coonabarabran Public School

A Minute with Mrs Meier

This week we are loving the change of season, the warmer days, the flowers blossoming around the school grounds and the trees showing their new leaf. Everyone has a spring in their step and feeling excited for the next two weeks of school.

We are enjoying having Mr Turner with us. He is a wonderful role model for our students and they are particularly enjoying his PE lessons.

RUOK? at school

Thursday 10th September was RUOK? day.
But let's all check on each everyday to make sure we're all okay!

Canteen Special in Week 8

**Home made Lasagne
and Popcorn**
Just \$5.00!

Canteen open Tuesday to Friday

Kindergarten students will go to Neilsen Park on Friday 18th September for a Teddy Bears' Picnic.

Children are invited to bring their teddy along to play some games and explore Neilsen Park with organised activities with their teachers and staff from the Warrumbungle Environmental Education Centre. All the students and staff will have a picnic with their teddies and their friends before returning to school by 2:50pm.

Students should wear a hat, covered shoes, a long-sleeved lightweight shirt, long trousers and bring a jumper or jacket if it is cool. Students are to bring a packed and labelled little lunch and big lunch on the day and a drink bottle filled with water too.

The teddies will each require a name badge as well so that children and their teddies can easily be reunited if they become separated.

There is no cost for this activity.

CLEANERS REQUIRED

Joss Facility Management are looking for cleaning staff to work at our Government wide across regional NSW.
We offer Training and Ongoing Support.
Applicants need to provide a valid Working With Children Check, good references and a criminal record check.
Please contact Joss Facility Management via email on: cleaning@jossfm.com.au
or visit our website: www.jossfm.com.au

Stage 1 Stars of the Week

Kinder Eucalypts

Arjay Niass-Gall

Working well and always being a wonderful friend and class mate.

K/1G Tulips

Aria Kershaw

Being a kind and caring friend to everyone.

1M Sunflowers

Dylan Towney-White

Always trying his best in class and being kind to all his peers.

2C Chrysanthemums

Jake Newton

Working hard in all areas.

2M Shamrocks

Taleah Tighe

Trying very hard with her class work.

School Walkathon

The annual School Walkathon will be held on Friday 25th September. All students will participate, however only Stage 2 and Stage 3 students will be seeking sponsorship.

Students have received their sponsor sheets and will be asking for sponsorship from their families and friends. Please support your child in any way possible for this fundraising activity.

Money raised in the Walkathon is used to purchase new and replace ageing sports equipment for our students.

Students are to wear sports uniform on the day, wear their school hat, and have their water bottle. Water bottles can be refilled at school and sunscreen will be readily available for all students.

Students are urged to have their sponsorship money in to school by Wednesday 28th October so class and individual prizes can be awarded at each Stage Assembly following 28th October.

Please remember to label all jumpers, hats and coats that your child wears to school.

Items of clothing can be easily returned when they are labelled.

Please be reminded that any communication to school about your child, or changes to their routine, must always be directed to the Office.

Please refrain from contacting teachers and SLSO staff directly.

You may always request an appointment or phone call to speak to your child's teacher.

Chrysanthemums

2C have all been working extremely hard all term. They have diligently applied themselves to their literacy and mathematical activities. Recently we did a series of lessons with Mrs Evans where we all ended up with sweaty brains from solving extraordinary problems with LEGO and unifix cubes. We did magic trick maths and discovered some amazing number patterns.

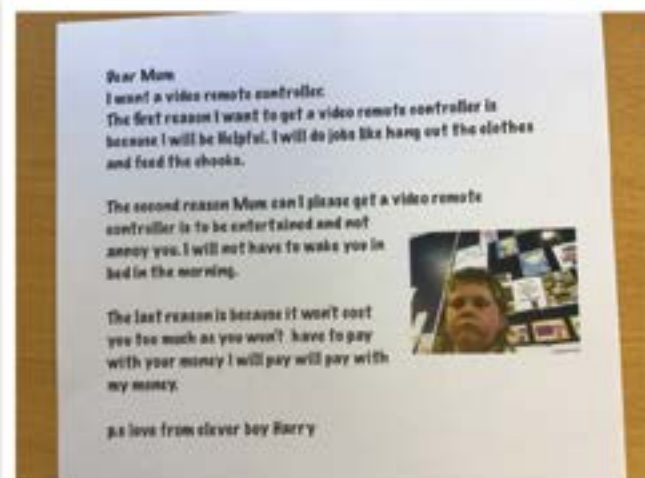

We have challenged our powers of concentration in learning to write persuasive letters and reports. Hopefully we succeeded in persuading the wolf not to eat poor Red Riding Hood. Some of us were able to persuade our parents to change their mind on toys or hobbies we felt were necessary to our overall happiness and wellbeing. Our letters contained our well thought out, considered opinion and multiple reasons why it should happen.

We planted and watered some beautiful multi-coloured poppies which we took home last week as the lunch time soccer tournament repeatedly obliterated our lovely terracotta pots.

We have had a great term together in 2C. We are a hardworking and cooperative class who try hard to follow the schools PBL values and are always respectful and polite. We are looking forward to achieving even more in term 3 as we get ready for Year 3.

Captured on camera this week in the Warrumbungle National Park.

This week in the Warrumbungle National Park & in The Hub.
